August 2017

Dear Parent/Guardian,

Board of Education Policy #4710 enables students and parents to choose whether or not they would like to have the physical education grade included in the student's grade point average.

Enclosed is the form that must be completed by students and parents and returned to building principals so that the student management system can be programmed to reflect each student's choice with regard to the physical education grade. **As this is a lengthy process, it is imperative that all forms be returned by the due date of Monday, September 25, 2017. You need only to return the form if you are choosing to exclude the physical education grade from the overall grade point average.** The choice is in effect for the full year and cannot be changed. You must submit this form **each** year if you wish to exclude the grade; this decision does not carry over from year-to-year.

Please take a few moments to discuss this issue with your child and complete the form if necessary. Return the form with your child or by mail to the appropriate building principal. Names and addresses have been provided for your convenience.

Should you have any questions, please feel free to contact your child's guidance counselor regarding this issue. Thank you for your cooperation in this matter.

Sincerely,

Tim Hoss  
Principal
