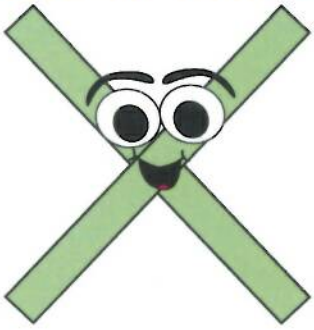
Bellerose Avenue Elementary School

Fun "Times" Multiplication Club for 3rd Graders



Bellerose Avenue Math Teachers, Mrs. Kiernan and Mrs. Gaddis, will be hosting an after school club for 3rd grade students to help support their learning of multiplication facts. Each session will include a review of multiplication strategies and games that help build fluency with the times tables.

If your child would like to join the Fun "Times" Multiplication Club, please complete the bottom of this form and return the slip to Mrs. Kiernan **by Wednesday, March 7th.**

Dates: **March 16, March 23, April 13, April 20, April 27, May 4 (All Fridays)**

Time: **2:25 p.m. – 3:45 p.m.** ***** Dismissal will be from the main lobby.**

Place: Room 22

Dismissal Policy:

It is the responsibility of the signed parent/guardian to be at Bellerose at 3:45. Any change of dismissal plans can only be honored with written notification. Your cooperation is appreciated.

I give permission for my child, _____, to attend Fun "Times" Multiplication Club.
