Dear Parent/Guardian,

As part of our school's programs, students are invited to participate in before and after school programs. We will be running a morning game club for students in Grade 1 from 7:00am to 8:00 on select dates.

As a group we will be using fun games to encourage opportunities for children to socialize with peers. We will be working on the following social concepts: turn taking, winning and losing and cooperative play. If you feel your child may benefit from participation in this group, please sign the following permission form and return it to your child's teacher marked game club.
